2. Approve meeting dates for 2013.

A motion was made by Bob O'Gara and seconded by Mason Thrall to accept the following meeting dates for the 6:00 PM Vernon Traffic Authority meeting to be held in 2013 on January 10, February 14, March 14, April 11, May 9, June 13, July 11, August 8, September 12, October 10, November 14 and December 12. Motion passed unanimously.

3. Review site plan for 444 Hartford Turnpike.

Mr. Leonard Jacobs, Attorney at Law, Robert Baltramaitis, Traffic Engineer and Peter Daddio, Project Manager were present to address the site plan for 444 Hartford Turnpike, which is the vacant lot adjacent to the Shell Gas Station and Dunkin' Donuts. After their presentation, questions were taken from the commission. Their concerns involved the traffic pattern and traffic circulation of the new facility, accessibility of fire trucks toward the rear of the building, lighting, sidewalks and signage for the drive through.

After a brief discussion, a motion made by Chief Kenney and seconded by Pauline Schaefer to approve the presented site plan for 444 Hartford Turnpike with the following caveats - a closing of the third curb cut; sidewalks to be consistent with blending of the curbs; the front of the building will accommodate fire apparatus with approval from the Fire Chief and there will be adequate roadway signage at the rear of the building displaying travel lanes. Motion passed unanimously.

Motion was made by Pauline Schaefer and seconded by Mason Thrall to adjourn the meeting at 7:02 P.M. Motion passed unanimously.

Respectfully submitted,

Peggy A. Jackle
